Strategies & Tactics For The FINZ Multistate Method (Emmanuel Bar Review)

Synopsis

Strategies & Tactics for the Finz Multistate Method, 4E features more than 1200 multiple-choice questions and answers, written in the Multistate Bar Exam (MBE) style and complying with the latest MBE formats. Because they are original and not actual released exam questions, these questions are unavailable anywhere else. An in-depth guide, Strategies & Tactics Playing the MBE Game to Win, shows students how to handle MBE and MBE-style multiple-choice questions. Detailed answers explain the correct choice and show why the others fall short. Strategies & Tactics for the Finz Multistate Method, 4E comes with a complete 200-question MBE-style practice exam. Features: Updated to include a comprehensive section on Civil Procedure, which was recently added to the MBE exam. This new section features approximately 70 author-generated questions.

Customer Reviews

Very helpful for studying MCQs for your exams. The questions do get tricky, purposefully so, and the answers provide sufficient detail as to why the correct answer was the better answer. By

quizzing myself using this book, and using AdaptiBar.com*, you should ace your multiple choice exams.*I am not affiliated in any way with AdaptiBar.com. I subscribed to their service, at full cost, and am simply blown away by the "smart" approach they take for quizzing.

Along with the book Strategies and Tactics for the MBE, this is the book that I most often use with my students when I am preparing them for the MBE. I couldn't recommend it enough. The questions are challenging and clever, two components you'll find on actual MBE questions but far less often in prep material. Do yourself a favor and get this book.--Sean Silverman (MBE tutor)
