A Chicago Savage: A Love That Goes Both Ways

Synopsis

KY is a 25 year old lesbian on the come up quick. She doesn't deal with too many and the ones she do deal with, are presenting her with reasons why they can't be trusted. Ky is running out of people to trust and depend on. That is until she runs into this mystery lady. Gia is hard body, thugged out and she is not about no bullshit. She was built for the life that she is living. During her process of getting money and running the block, she had to take a vacation. Once she returned from her vacation, she was not prepared for what was waiting for her. Sam is the sexy seductress that's all about her bread until she meets Ky. Sam is about deception and messing up her baby daddy Tiger's life. Things gets extremely steamy and out of hand when Sam realizes that she has a thing for some hot stud. Will Ky find someone to trust and be loyal? Will Gia accept her fate and change her ways? Can Sam be honest with the people in her life? Join me on this ride of betrayal, disloyalty, sex, drugs and lesbians. This is going to be a ride you don't want to miss!!!

Customer Reviews

The title says it all. Ky was definitely a savage who played no games about her money, family and loyalty. There was no time for snakes in her life, whether they be friend or foe. There is plenty of lies

and betrayal all because of greed and jealousy with her so called best friend Gia being the main one to betray her. The saying goes that money is the root of all evil, and it definitely holds true in this case. I can't wait to see what other snakes are lying in the grass waiting to strike in part 2.

"A Chicago Savage" is a gritty and thought provoking street fable that was definitely worth the wait. Prepare yourself to be intricately weaved into a story of drugs, sex, violence, money and deception. 25 year old Ky has found herself between a rock and a hard place. As different situations begin to unfold, she must now question the loyalty and authenticity of her friendships, and a new and mysterious romantic love interest. Seems like the ultimate set up in a case of jealous rivalry. Will she succeed in taking out the weakest links, or come face-to-face with her own demise? Stay tuned....

KY was a savage, she was about her money, loyalty and trust. I love the relationship she has with her family and Jay. This book shows you just how greed, jealousy, and envy can destroy relationships. Can't wait for part 2

I was about to stop reading this book because it was too slow. Then pow! The action began, and it didn't stop. The snakes were slithering and hissing all over the grass. Ky is very strong, but even the strongest soldiers get tired. What's going to happen next now that the secrets have been revealed?
