## Customer Reviews

Sexual addiction is a problem that runs rampant in the society of our day. There are an increasingly large number of books available on this subject, but many of these have looked at sexual addiction from the man / husband's perspective. This book was of interest to me because it looks at sexual addiction from the perspective of the woman / wife who has been betrayed. Hope After Betrayal shares the stories of four women whose lives have been forever changed by their husband's secret sexual addiction finally coming to light. Over the course of ten chapters we learn of the journey Meg (the author), Tammy, Stephanie, and Renee have undertaken to find hope and healing from their husband's betrayal. The chapters progress as follows: \* Chapter 1 - Blackout (Brutal betrayal)\* Chapter 2 - Shrouded (Waiting for direction)\* Chapter 3 - First Shimmers (Seeing the obstacles)\* Chapter 4 - Lanterns (Safe people)\* Chapter 5 - Laser (Friend of foe)\* Chapter 6 - Shadowlands (Avoiding the dark)\* Chapter 7 - Glowworms (Absorbing and applying grace)\* Chapter 8 - Firefly (The glowworm with wings)\* Chapter 9 - Prisms (Accepting God's design)\* Chapter 10 - Path Lights (The road ahead)Two important features to note at the end of each chapter are Path Lights and Journaling. Path Lights has between three to six scripture references that will be an encouragement to women who are walking through each stage of their own journey. The Journaling portion

contained in each chapter is an important feature of this book. Meg encourages women to keep a personal journal as they walk through each milestone of their journey towards hope and healing. Journaling is not something that comes easily for everyone.
