2012 Uniform Plumbing Code

Synopsis

The 2012 edition of the Uniform Plumbing Code (UPC) represents the most current approaches in the plumbing field. It is the fourth edition developed under the ANSI Consensus process is designated as an American National Standards by the American National Standards Institute (ANSI). Contributions to the content of this code were made by every segment of the built industry, including such diverse interests as consumers, enforcing authorities, installers/maintainers, labor, manufacturers, research/standards/ testing laboratories, special experts and users. The International Association of Plumbing and Mechanical Officials (IAPMO) is the premier non-profit membership based organization that specializes in developing standards and excellent in the Plumbing and Mechanical Industry since 1926. We represent a unique mix of governmental representatives, industry representatives and tradespeople all sharing a common interest - safe and efficient plumbing and mechanical systems through the development, application and enforcement of the Uniform Codes. Some of the many areas where we publish include: -Uniform codes in the Plumbing, Mechanical, Solar Energy, and Pool, Spa, and Hot Tub and Green segments -Study guides & training manuals -State codes -Local codes

Customer Reviews

Hubby is studying for his plumbing test and so we had to buy this book. It comes with prelabeled sticky tabs and a couple of blank ones too which is really nice and something I can say no one that I bought a college textbook from had the foresight to give me. I don't think this is pleasure reading by

any stretch of the imagination but hopefully it gets him through his test!

This book was bought for my son. I have been told this was perfect. Exactly what he needed to help him study for his exam. It had been awhile since he has taken the state test. This will work perfect.

Do it to code the first time with the 2012 UPC.United Association of Plumbers, Pipefitters, pipe Welders and Service Technicians

A required reading for the test, so nice to find you had it and could get it to me quick.

good information great book

This version comes with tabs for all of the chapters and a few extras so you can mark pages important to you. The only downside is that you have to put them in by yourself.

IT CAME SUPER FAST AND THATS WHAT I NEEDED , I WAS DOING MY CODE UPDATE ONLINE AND NEEDED THE BOOK SUPER FAST I ONLY HAD SO MANY DAYS ON LINE TO COMLPETE TKANKYOU

Purchased this book for a class I am taking. It is exactly as described. Arrive to my house in perfect conditions with both the book and chapter tabs.
