# Human Sexuality Today (8th Edition)

## Synopsis

Examines how human sexuality impacts students' lives today    Human Sexuality Today Plus NEW MyPsychLab with eText - Access Card Package, 8/e ,is an appealing, readable, and humanistic guide to human sexuality, with a sound balance between facts and understanding. Through the authors' conversational writing style, readers will gain insight into human sexuality, helping them feel comfortable about themselves and their own sexuality.    MyDevelopmentLab is an integral part of the King program. Engaging activities and assessments provide a teaching and learning system that helps measure students' success. With MyDevelopmentLab, students can watch videos on human sexuality, study key terms and concepts with flashcards, and develop critical thinking skills through writing.

## Customer Reviews

I ordered this text book for my human sexuality psychology course, but it reminded me of an A&P and biology text book. However, with the right professor and syllable it could be very informative and eye opening.

I rented this for a college class. If you have never taken a human sexuality class, I would recommend taking one. This book is full of information that helped me understand myself on a whole new level. The words inside flowed good and was easy to understand. I took a lot away from my class because of this book.

Came in almost perfect and pristine condition. the upper right hand corner of the cover was a bit bent but all in all it came in wonderful condition for my class! I wish it came in hardcover though.

says it comes with an access code for myPsychLab but DOES NOT. I received a paperback copy with no access code.

This is an informative book and easy to understand

Great service and it came how it was described!!
