Therapeutic Perspectives On Working With Lesbian, Gay And Bisexual Clients (Pink Therapy)

Synopsis

Following the success of *Pink Therapy* (1996 Open University Press) as a practical guide for therapists, counsellors and others in related professions working with lesbian, gay and bisexual clients in affirmative ways, this volume is the first to address how this can be approached from ten of the major therapeutic perspectives. Each approach is discussed with regard to its historical and theoretical relationship to these client groups and how the approach can be beneficial or negative. Guidelines for using the perspective supportively or practically are given, along with references for further study. The volume marks an important step in the dialogue between theoretical approaches and in the future development of, and debate about, these increasingly important fields in contemporary therapy.

Book Information

Series: *Pink Therapy* (Book 2)

Paperback: 216 pages

Publisher: Open University Press; 1 edition (February 1, 2000)

Language: English

ISBN-10: 0335203337
