Customer Reviews

****DISCLAIMER:** While the author is a staunch fan of INFOWARS, the views/review of this product are strictly my own, and do NOT reflect the opinions of Mr. Jones, the INFOWARS and PrisonPlanet staff, management, station affiliates, advertisers, guests, subscribers, or listeners. Thank you.******To the Author of this Book --Really?How much more do we need to read sex slang terms for a woman's or man's intimates, and the varied ways you dreamed up to give us "Yes, baby!," "Eff me!," "I'm

close!," "Do you like how I suck your _____," and the like this book has? Take the story about the girl, Kellie, blackmailing her boss, for instance. We don't get to his solving that problem until his blackmailer is conveniently cornered in her own trap many, MANY pages later on, and then, boom! Convenience out, commonly known as *deus ex machina*. Aaaand after a few more typical sex rounds, we get the typical, sex-loaded, HEA ending. What, no plot twist? Sheeeeesh.OK, some scenes got the job done for this also-author. But in good conscience, I had to rate this one star for poor editing/writing syntax, mislabeled names, lousy plot--even sex scenes not only need a point to make it and the story work, but a little variance goes a long way--and repeated storylines. And what was that about with one female doing her unrelated stepdaughter with a high heel? Ms. Taboo, with all due respect: are you crazy?!?What downgraded this book from its original two stars I'd planned to give it to one? In the piece "Fun Time At Home," the author has Brian turning BEAT red (so he's pulsing a blush like a flashing taillight on a bike or a car? How's this humanly possible?
