# Common Core Science 4 Today, Grade 3: Daily Skill Practice (Common Core 4 Today)

## **Synopsis**

Common Core Science 4 Today: Daily Skill Practice provides the perfect standards-based activities for each day of the week. Reinforce science topics and the math and language arts Common Core State Standards all year long in only 10 minutes a day! Weeks are separated by science topic so they may be completed in the order that best complements your science curriculum. Review essential skills during a four-day period and assess on the fifth day for easy progress monitoring. Common Core Science 4 Today series for kindergarten through fifth grade covers 40 weeks of science topics with engaging, cross-curricular activities. Common Core Science 4 Today includes a Common Core Standards Alignment Matrix, and shows the standards covered on the assessment for the week for easy planning and documentation. Common Core Science 4 Today will make integrating science practice into daily classroom instruction a breeze!

Grade Level: 3 and up

## **Customer Reviews**

I thought this book could be used for a daily program. Each lesson does not give the background knowledge necessary for success. The book could be used as supplemental practice after the science topic is taught is taught formally.

I love the 4 Today's and have used them for years. The science will be new for this fall. I like the fact that this does not spiral so I can pick and choose the units to match what I will using in class.

need to incorporate more data for reading. have to go online and read more b4 my daughter can answer these questions

This will help my team to plan for the new year and prepare lessons for the coming school year in August.

My children will all enjoy reading and learning science on their own reading level.

Excellent for prep and establishing daily study habits

This is a great resource when looking for extra material for go with Mississippi Science Curriculum!

It will be very beneficial to my students' learning.
